

TEAM ROTARY

Governor's Message

Dear District 7510 Fellow Rotarians:

I hope you all had a wonderful summer. This is the third week in August, and it is the last day of my ten days vacation in Royal Bali Beach Club, Indonesia. I went to the café there and sat at a table near the only 220V outlet to plug my computer. The waiter came to ask if I need lunch. I told him I wish! This is the fasting month of Ramadan. I am looking at the pool with many bodies stretched around. Nadia is setting on a lounge chair reading a book. The roaring waves of the South Pacific Ocean are pounding the shore in the background. The ocean breeze is cool and refreshing. And I started writing.

"New Generations Month" focuses all Rotary activities on the support and development of young people up to the age of 30. Rotary clubs are encouraged to use the slogan "EVERY ROTARIAN, AN EXAMPLE TO YOUTH."

In every instance, Rotarians have an opportunity to be role models and mentors for the young people of their communities. One learns to serve by observing others. It is the responsibility of each Rotarian to prepare the New Generations by improving their skills to ensure a better future, while recognizing the diversity of their needs. All Clubs and Districts are encouraged to undertake projects that support the fundamental needs of the New Generations: health, human values, education, and self development. Rotary International New Generations programs are: Earlyact, Interact, Rotaract, Rotary Youth Leadership Awards, and Youth Exchange.

Youth service projects take many forms around the world. Rotarians sponsor Boy Scouts and Girl Scouts troops, athletic teams, centers for disabled children, school safety patrols, summer camps, orphanages, recreation areas, county fairs, and child-care centers. Many Clubs provide vocational counseling, establish youth employment programs, and promote the use of the 4-Way Test.

Earlyact: a school-wide service club for elementary students from ages 5-13. It is sponsored by one of the local Rotary clubs in the community where the school is located. Earlyact provides young students the opportunity for gaining an increased awareness and knowledge of their

GSE TEAM TIME!

GOVERNOR'S MESSAGE

The Group Study Exchange (GSE) is a unique cultural, vocational, and ambassadorial exchange opportunity for young business and professional, non-Rotarian men and women between the ages of 25 and 40 and one Rotarian, any age, willing and able to lead the group. The program provides travel grants for teams of participants to exchange visits between paired areas in different countries. For four weeks, team members study the host country's cultural institutions and ways of life, observe their own professions as practiced abroad, develop personal and professional relationships, and exchange ideas.

This Rotary year the Group Study Exchange team will have the opportunity to travel to District 2450 (which includes Egypt, Cyprus, Jordan, and the United Arab Emirates, along with six other countries). A highlight will surely be District 2450's 75th Conference to be held in Luxor, Egypt. The dates of travel are April 10, 2011 through May 8, 2011.

Applications may be obtained through your club, downloaded from www.Rotary.org, or received from D7510GSEChair@verizon.net.

Team Leader and Team Member Applications are due October 1, and must be mailed to Russell DiNardo, 55 Princeton Avenue, Hopewell, NJ 08525 or emailed to D7510GSEChair@verizon.net.

Club Presidents and Secretaries

There are 1261 member records in the Database, but only 969 have email addresses listed. This is an increase since last month, which is good news! Please continue to update your members' data so we can reach them with District news.

Editor

(Continued from page 1)

community and the world. All students are encouraged to be caring and helpful. It engages students in character-building activities and prepares them for leadership roles to identify and carry out projects which benefit their school, local and global community.

Interact: a program that is now for students ages 12-18. Interact Clubs can be based in the community or in a school. The school does not "take over" entirely, but works closely with the sponsoring Rotary Club to implement meetings and projects. Interact supports many of the same causes that Rotary Clubs do. For example, Interactors have helped raise funds for Tsunami, Katrina and Haiti victims, organize outings for children, and renovate homes in developing countries and their own communities.

Rotaract: a service club for students ages 18-30. Rotaractors can meet either at a community establishment or at school. Rotaract clubs are able to take on more ambitious projects and work more independently. They generally focus on professional development, public speaking, and career development.

RYLA: Rotary Youth Leadership Awards usually operates as a camp and is sponsored by multiple Districts. Rotarians and young people from all over the region meet and exchange ideas. Rotarians run

the seminars and incorporate recreational and cultural activities.

Youth Exchange: Perhaps the most popular program of all, which allows students ages 15-19 to experience another way of life

by living abroad with a host family. The student is often immersed in a new language, new religion, new political system, new currency, and new traditions. The student will find friends in the host country and create a friendship that will last for ever.

Let us work together to inspire the **New Generations** towards new horizons. Let us work together to make our Clubs

**Bigger, Better, Bolder -
Building Communities, Bridging
Continents.**

Yours in Rotary Service
DG Ahmed A. Azmy

Council on Legislation

*"On the avenue,
Fifth Avenue..."*

Borrowing a few words from the famous Irving Berlin is our way of introducing you to the *Fifth Avenue of Service*.

Recently adopted by the Council on Legislation, *New Generations* is now officially recognized as our newest Avenue of Service.

You will hear more about this opportunity for service in the coming months.

SERVICE PROJECT AT DISTRICT CONFERENCE

A delightful highlight of this year's conference was our "joint" project program (District 7510 and District 7410---as represented by the Rotary Club of the Pocono Mountains)!

Our plan was to develop a project that could be accomplished in a defined period of time and that would address a need identified in our host community. With the assistance of District 7410, the PLAN evolved into two parts: (1) to construct shelving in the CAME Food Pantry in Canadensis, and (2) to stock the food pantry shelves with needed foodstuffs and personal hygiene items.

The PROGRAM: Steve Warren, President of the Rotary Club of the Pocono Mountains, and members of his very energetic club not only assisted with the development of the plan, but also procured the shelving materials and cut them to the appropriate specifications.

We of District 7510 gathered the foodstuffs and personal items, and provided labor to assist installing the shelves and stocking pantry.

On our conference weekend, about one-third of the attendees arrived with donations. These were sorted and boxed with the able assistance of our teen helpers, Emily Portude and Lara Cauwels.

On Saturday morning, May 1, a band of sturdy "installers" met Steve Warren and his club members. We came together, and WE GOT IT DONE! Those shelves went up quickly and will be there for as long as there is a need!

Then, a second wave of help-

ers from 7510 arrived with the boxed goods. We unloaded the cars and loaded those shelves.

The whole project came together and three hours later was complete. As we departed we left the pantry well supplied with food and personal items (as well as a nice supply of pet food). It looked wonderful and surprised even me how very well we did with collecting those needed supplies. The CAME manager noted, though, that even such a sizable donation of items would probably be gone by the end of the week.

Even in an area of such lavish beauty as the area around the Skytop, the human need is great!

Heartfelt thanks go out to District 7510 participants and to our District 7410 partners. A beautiful weekend was further enhanced because we **shared** an opportunity to make a lasting impact on that beautiful Pocono community, Canadensis.

Many, many thanks to each and every one of you who helped! ROTARY WORKS!

The Rotary Club of Westfield presented 23 local college-bound students with scholarship money totaling \$92,000 at the club's annual Scholarship Awards Luncheon held Tuesday, June 15, at the Westfield Area YMCA.

Criteria for consideration, according to Liz Ensslin, chairman of the Scholarship Committee, are based on academic achievement, service to the community and financial need. Recipients must be residents of Westfield who are graduating seniors enrolled in an accredited high school.

Elsasser continues, "About \$2.5 million has been awarded to-date financed by proceeds from the annual Pancake Breakfast, Grand Raffle and a managed fund comprised of donations and bequests made by Rotarians, their families and friends now valued at more than \$1million."

The Rotary Club of Woodbridge-Perth Amboy recently presented a \$10,000 check to the Woodbridge Ambulance and Rescue Squad to help them purchase new protective gear. Mayor John McCormack and Squad Chief Edward Barrett accept the check from President Victoria and PDG Ralph

Winter (r). The donation was made possible by a District Simplified Grant.

The Rotary Club of Dunellen-Green Brook will hold their first annual *Scavenger Hunt & Road Rally* on October 2. Contestants will receive an alphabetized list of 25 local businesses and a map, then visit each business, collect an item, and return to the start for an "all you can eat barbecue." Trophies will be awarded to the first four finishers. Rotary clubs and other organizations that send a team of at least 10 cars will have a special first place trophy for that group's first finisher, no matter when they arrive at the finish line. Sounds like great fun and what could be a great multi-club social event. Contact Sherri Leabman at 908-948-1320.

The Rotary Club of Branchburg members recently rolled up their sleeves and prepared food for the most needy of our community. It was a team effort as Chef *extraordinaire* Julie Ann Juliano purchased food, prepared recipes, and instructed all the non-chef Rotarians in proper procedures. Along with the numerous trays of food, there were bag lunches prepared under the direction of Rob Tumolo (pictured.)

Club President Mike Cohen assisted with the entire project and delivered the food to SHIP

MORE CLUB NEWS ~ YOUR CLUB'S NEWS SHOULD BE HERE, TOO

(Samaritan Homeless Interim Program) in Somerville, where over 400 people would be served.

The Rotary Club of Clinton Sunrise concluded a successful blood drive on July 31, with NJ Blood Services collecting 50 pints of blood, including 7 donors who used the new "ALYX" technology,

donating two units of red cells in just one donation. Door prizes included a camera, box tix to Somerset Patriots baseball, a YMCA membership and others.

The Clinton Sunrise club also recently presented scholarships to students displaying academic dedication, talent in t-shirt design and business marketing skills. The awards ceremony was held at the Clinton Fire House, the new meeting place for CSRC.

The Rotary Club of Hamilton Township is off to a rigorous start. Hamilton Rotarians are engrossed in plans for a new Fall fashion show fundraiser showcasing the ladies of the club as models and the men as escorts. Their 15th Annual Harvest Brunch takes place October 31 (let's hope the Rotarians don't scare anybody!) The Club also plans to participate in the district-wide Walk-a-Thon for Polio.

The District Directory and Resource Guide

is waiting publication because some clubs have not submitted their officer and club data.

Presidents or Secretaries—please send in your information today to District Secretary Cindy Love at cindyrotary7510@gmail.com.

Better yet, update that information on the District and Club Database yourself. Cindy will automatically be notified of your changes.

Do it now—www.dacdb.com.

(See *how to* article on page 2)

Update your own email and mailing address in the District and Club Database. Log in at www.dacdb.com - your email address

is your login name, and your RI number is your password. Your RI number can be found on the mailing label of your *Rotarian* magazine (just omit the "0"). Then select "Members", then "View My Data", and then "Edit". When you finish, click the yellow "Update" button.

HOMES OF HOPE ANNUAL DINNER

The 7510 Homes of Hope Committee has been *building a community* for the past eight years. We have given the people of Ciudad de Rotaria in Ecuador the building blocks for a sound community life - safe housing, clean water and education. Our village is growing and continues to reach out for our support. Our children are doing well in school and some of them are even in college! Without our intervention and support, none of this would have been possible. Doug Merritt, the project founder, has been approached by a neighboring village for help. He will present those requests to us at the dinner.

This year's dinner will highlight some of the children, what they are achieving through the Arc of Hope/Sponsor Me program, and what is left to be done. Our friends from Ecuador, Aleida and Gonzalo Mejia, will be traveling from Ecuador for the event.

The dinner will be at the Toucan Restaurant on Easton Avenue in Somerset on Wednesday, October 6, from 6-9 pm. The cost is \$50 per person, checks payable to Branchburg Rotary Foundation. Annual Building Partner awards will be given out, so for those who continue to be great sponsors, please plan to attend. For tickets please contact PDG Julie Ann at docjulieann@comcast.net or call (908) 685-8080. The invitation is also on the District website (www.rotarynj.org).
